

Publications relating to, with significant reference to, or bearing upon the geology of Torbay. Bibliography supplied by B.E. Leveridge, December 2006.

2000 to present

BGS. (2004) Torquay. England and Wales Sheet 350. Solid and Drift Geology. 1:50 000. British Geological Survey, Nottingham.

House, M.R. (2002a) Devonian (Frasnian) goniatites from Waterside Cove and Staverton Wood, South Devon. *Geoscience in south-west England*, **10**, 267-280.

House, M.R. (2002b) Devonian (Givetian) goniatites from Wolborough, Barton and Lummaton, South Devon. *Geoscience in south-west England*, **10**, 281-292.

Leveridge, B.E. (2006) The Variscan Orogeny: the development and deformation of Devonian/Carboniferous basins in SW England. In *The Geology of England and Wales*, (eds P.A. Brenchley and P. Rawson). Geological Society of London Special Publication. 227-52

Leveridge, B.E., Scrivener, R.C., Goode, A.J.J., and Merriman, R.J. (2003a) Geology of the Torquay district – a brief explanation of the geological map. *Sheet Explanation of the British Geological Survey*. 1:50 000 Sheet 350 Torquay (England and Wales).

Leveridge, B.E., Scrivener, R.C., Goode, A.J.J., and Merriman, R.J. (2003b) Geology of the Torquay district. *Sheet Description of the British Geological Survey*, 1:50 000 series Sheet 350 (England and Wales).

Leveridge, B.E., Whittaker, A. and Shail, R.K. (*In press*) *The Marine Devonian of Great Britain*, Geological Conservation Review Series, Joint Nature Conservation Committee, Peterborough.

Merriman, R.J., Evans, J.A. and Leveridge, B.E. (2000) Devonian and Carboniferous volcanic rocks associated with the passive margin sequences of south-west England; some geochemical perspectives. *Geoscience in south-west England*, **10**, 77-85.

Merriman, R.J. and Kemp, S.J. (2001) Metamorphism of the Palaeozoic rocks of the Torquay district, Devon, 1:50 000 Sheet 350. *British Geological Survey Internal Report*, IR/01/184.
